

ANANDHARAMAN P

Python Developer | Oracle & SQL Specialist | Software Developer

Chennai, Tamil Nadu 600091 | +91 7904197874 | anandharaman44@gmail.com | github.com/PAnandharaman

PROFESSIONAL SUMMARY

Detail-oriented Computer Science Engineering graduate with hands-on experience in Python, SQL, and Oracle database development. Skilled in building data processing pipelines, automating reports, and writing optimized SQL queries. Reduced manual reporting effort by 40%.

TECHNICAL SKILLS

Programming Languages: Python, SQL

Databases: Oracle, Relational Database Design, Schema Normalization

Libraries & Tools: Pandas, CSV/Excel Automation, Exception Handling, Logging

Core Competencies: Data Extraction, Aggregation, Report Generation, Problem Solving

PROJECTS

1. Sales Data Processing & Reporting System (Python, Pandas, SQL)

- Automated data cleaning and transformation pipeline for CSV and Excel sales datasets.
- Wrote SQL queries for data aggregation and generated structured management reports.
- Implemented logging and exception handling, reducing manual effort by 40%.

2. Employee Database Management System (Oracle, SQL)

- Designed normalized relational schema with primary/foreign keys and constraints in Oracle.
- Authored complex SQL joins, subqueries, views, and aggregate payroll summaries.

3. Student Result Analysis Tool (Python, Pandas, SQL)

- Developed performance analysis pipeline calculating mark averages and pass percentages.
- Generated student-wise and subject-wise analytic reports from exam records.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering | Jan 2022

A.V.C. College of Engineering, Anna University - GPA: 7.404 / 10

Higher Secondary Education (12th Grade) - Swami Matriculation Higher Sec School - 68.9%

Secondary School Leaving Certificate (10th Grade) - RajaVignesh Higher Sec School - 90.4%
